With accommodation for up to fourteen, Tawharanui Lodge is your ideal location to celebrate your special day with friends and family.

Tawharanui Lodge is family owned and operated venue which provides exceptional personalised service.

We pride ourselves on building a relationship with our couples ensuring clear and prompt communication where no question is a stupid question.

You will deal directly with the owners, who also provide co-ordination and planning through out the journey to the big day.

'Our Wedding event at Tawharanui Lodge far outweighed even our expectations. From the 1st time we visited the location, the immediate connections we made with Jo and Karl, through all of the communications and further visit on site, to the bridal party stayover the night before, to the amazing day and overnight stay, to the delicious breakfast the day after and departing for the honeymoon.

Jo and Karl are consummate professionals in their field, the ease in which they guided Craig and I through the process, answered every question, and query without judgement of how silly it was.

The outside space is just romantic, mother nature gave us sunshine just in time for the ceremony and everyone involved in our day ensured everything went perfectly.

Not only was the inside and outside of the venue amazing, but the quality of the food was second to none and delicious. The supporting team who ensured food was plentiful, and the drinks flowed were the kindest and happiest I have ever seen. It was obvious that they enjoyed their work and it showed.

A massive Thank You to Jo, Karl and the team for gifting Craig and I the most wonderful wedding imaginable. We will have memories that will last a lifetime.'
